

## Merstham Primary School

2nd July 2020

Dear Parents and Carers

I hope this letter finds you all well and safe during these difficult times. I am aware many of your children are keen to meet me as their new class teacher for September, so I would like to invite them all to join an online class video meeting on Wednesday 15th July at 4pm.

This will be held on the Year 5 Google Classroom meeting link. Please could you encourage your child to join this meeting and think about any questions they might have about Year 6 or returning to school in September, if these questions or queries could be emailed to [info@mersthamprimaryschool.org](mailto:info@mersthamprimaryschool.org) with the subject 'Miss Davison Year 6 transition' beforehand I will try my best to answer as many questions as possible.

During this transition meeting, I will go through some of our exciting Year 6 topics as well as talk about the expectations of being 'top of the school'. I understand this change might make some of the children nervous or anxious about the following academic year and I would like to let reiterate that wellbeing and mental health will be part of our curriculum in September onwards to ensure they are emotionally ready in preparation for the year ahead.

I look forward to meeting all the children via video call and in the meantime please do forward any questions or queries.

Kind regards

Miss Davison
