

## Merstham Primary School

19<sup>th</sup> March 2020

Dear Parents and Carers

If you are a key worker and wish your child to be in school please can you advise your class teacher at collection time today.

If you are not collecting please can you advise the office or email [info@mersthamprimaryschool.org](mailto:info@mersthamprimaryschool.org)

As we do not currently have any further update as to who key workers are, for Friday we will work on the basis that Key workers are. Emergency services workers (Nurses, Doctors, NHS employees, police, fireperson etc) and Food Delivery Drivers, Teachers/ Education staff and Social Workers are also key workers.

As soon as the Secretary of State defines who key workers are, we will adopt the government definition.

**For Friday, we would ask that all children attending bring a packed lunch to school. Further information will follow.**

Thank you
