

Merstham Primary School

Monday 11th May 2020

Dear Parents and Carers,

Firstly I do hope that this message finds you all safe and well.

I am sure that many of you watched the Prime Minister's announcement last night and heard what the government is planning to do over the next few weeks.

I too have just heard the plans and I am not yet in a position to answer questions about the school opening, which I am sure that many of you will have.

We await further information from the government, from GLF and what this means for the school. In the meantime nothing has changed and the school continues to be open for the children of keyworkers and children who meet specific criteria as set out by the government.

I will keep everyone fully informed and will provide you with further information as it becomes available and as I am able to do so.

In the meantime – please be assured that our priority remains the safety of children / students, our families and our staff.
