

Merstham Primary School

21st June 2019

Dear Parents & Carers

We are pleased to inform you that, after consultation with the school community and parent forum, some changes have been made to our school uniform and PE kit, this includes a slightly amended logo. This is now available to purchase from Swots in Reigate with an early bird 10% discount (or can be ordered via their online site www.schooluniformonline.co.uk) and samples are on display in the school reception area.

The changes are as follows;

- V-neck sweatshirt & cardigan with logo
- White polo shirt with logo
- White cotton shirt for KS2 (Y3-Y6) boys and girls
- School tie for KS2 (Y3-Y6) boys and girls
- Navy House colour t-shirt with logo
- Navy PE shorts

We are conscious that uniform changes have a financial impact and for this reason, we will be phasing in the changes over the next year. However, if you would like to take advantage of the Swots early bird 10% discount, this will be available from 22.6.19 to 5.7.19. Furthermore, sweatshirts, cardigans and polo shirts (with the new logo) will still be available from our current supplier at www.myclothing.com

We have attached a current price list, please note there will be a further 10% discount on these prices during the early bird sale.

We would like to take this opportunity to thank our parent forum and school council for their valued input into this process.

Yours sincerely

Mrs V Cooper
Deputy Headteacher
