

This week in Hedgehogs...

Welcome to Hedgehogs weekly update about our learning.

This week was Science Week. We have been very busy experimenting with slime and bubbles. We have been predicting which objects would float or sink as well as predicting what would happen when white flowers were put in coloured water. Ask us about the results of our experiments.

Friday was Sports Relief Day and we wore sporty clothes and took part in an activity on the big playground. We have been discussing what sports we like as well as observing the effects of exercise on our bodies.

Next week's learning:

Week beginning	16/03/20
Topic	Spring
Literacy	The Enormous Turnip
Numeracy	1:1 correspondence
Phonics	Our sound of the week is 'k'.
