

This week in Hedgehogs...

Welcome to Hedgehogs weekly update about our learning.

This week we have been discussing changes. The children have enjoyed looking at their baby photographs and thinking about how they have grown and changed. We will continue to discuss this next week. In maths, we learnt about height and have been building towers and deciding who has the tallest or shortest towers. We did compare heights but there was definitely some debate and disagreements over who was taller! In PE we learnt how to play some new ring games, including 'duck, duck, goose' and 'in and out the dusty bluebells'. We listened well to our instructions and enjoyed chasing the teachers during duck, duck goose!

Next week's learning:

Week beginning	17/01/20
Topic	Our topic this week is 'Chinese New Year'. We will be reading 'The great race.'
Phonics	We will be concentrating on identifying and recalling environmental sounds. RWI- sound of the week is 'n'
Numeracy	We will be learning about length as well as investigating number 1.
General comments	Please ensure you are signed up to Studybugs to receive notifications from the school. As soon as we can we will generate activation codes for the new starters and you will be able to access the online learning journals via Tapestry.
