Tuesday 9<sup>th</sup> June 2020

Dear Parents and carers

We are looking forward to welcoming the children from Year 1 back in to school tomorrow morning.

Year 1 Group A, (A-G) are to come in to school at the Year 4 entrance by the office. Year 1, Group B are to come in to school by the Year 1 gate. Parents should say goodbye to their children on the yellow and black tape and children can then walk in to school independently.

Please remember that the children should be dropped off from 9.25am and that all parents should have dropped their child(ren) and left the school site by 9.45am. The children will then be collected between 2.25 and 2.40 pm.

The two side entrances to the school (over the School Hill Bridge and from Rookwood close) are entrances only. The exit from the school is via London road south – the ‘side’ entrances are not wide enough to allow social distancing and two way traffic! Please can I ask everyone to make sure that they keep to the left hand side of London Road South when walking into school and when leaving. If everyone walks in single file, we will be able to ensure that social distancing takes place.

Thank you for your support. I do hope that these updates have been clear and useful, and that everyone understand the need that the school has for making sure that the protocols are followed.

Kind regards

**Gavin Oulton Headteacher Merstham Primary School**
