

Welcome to Hedgehogs!

All the Early Years staff would like to welcome you to Merstham Primary School. At the moment things are a little different and we are spending much more time at home with our families. We wanted to let you know that we are so pleased that you have chosen to come to our school.

We thought you would like to know about being a Hedgehog.

This is our school.

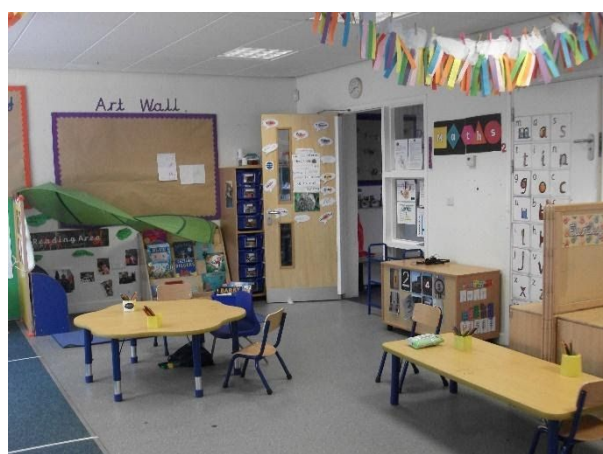

When you come to Hedgehogs, each morning you will come in through this gate.

peg to hang your things on in the

Then you can put your drink away and start some learning.

This is our classroom.

We have lots of fun learning in our classroom and outside.

This is our outdoor area.

It is next to the school field.

We go out on the field every week too for a welly walk where we find out about the world around us.

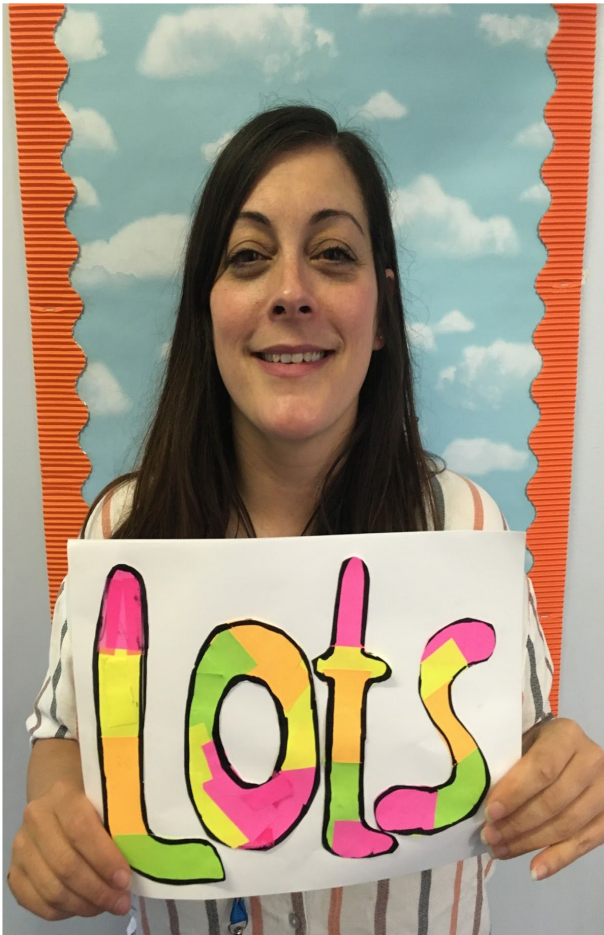

We go to the hall for PE and also at lunch time.

Hopefully soon you will be able to come and visit us and find out more about being a Hedgehog.

We can't wait to meet you all.

Hello I am Miss Thatcher, your nursery teacher. I am looking forward to seeing you all in September. I hope you are excited about starting nursery and becoming a hedgehog. We are going to have a wonderful time learning through play.

I thought I would tell you a little bit about myself. I am a terrible singer and will make you laugh when we sing nursery rhymes but this doesn't stop me from joining in! My favourite colour is orange. I have a pet dog called Willow and three cats. I love sharing stories with Hedgehog class, especially 'Shark in the Park' by Nick Sharratt.

Hello I am Miss Dennis and I am a learning support assistant in Hedgehogs. I work Monday-Friday. I am looking forward to getting to know you all in September. I'll tell you a little bit about myself, I love colouring in and chocolate! My favourite colour is pink and I love visiting the seaside. What do you like doing?

Hello, I am Miss Knight and I am a learning support assistant in Hedgehogs. I work Monday-Wednesday. My favourite story is 'The tiger who came to tea' by Judith Kerr. My favorite colour is pink, what is your favourite colour? I have a pet dog called Luna, do you have any pets?

I really enjoy working with Hedgehogs and I will do all I can to make sure you are settled and enjoy your time in Hedgehog class.
