

## Merstham Primary School

3<sup>rd</sup> July 2020

Dear Parents and Carers

We hope this letter finds you all well and safe during these difficult times.

As part of your children's transition into Year 5 Holly Class, we would like to invite them all to join an online class video meeting on Wednesday 8th July at 2pm. The meeting can be accessed via the Year 4 Google Classroom meeting link which will be available on the day.

Please could you encourage your child to join this meeting and think about any questions they might have about Year 5 or returning to school in September. If these questions or queries could be emailed to [info@mersthamprimaryschool.org](mailto:info@mersthamprimaryschool.org) with the subject 'Year 5 Transition' beforehand we will try our best to answer as many as possible.

During this transition meeting, we will talk to the children about the exciting topics they will be covering as well as extra-curricular opportunities that will be available to them in Year 5. We will also look forward to hearing how the children have succeeded with their sports day activities - please see the sports day communication for details. Do not forget we are collecting points as a school for total number of recorded jumps, target throws and runs to find our winning house team.

We are aware that in these difficult times your children may be feeling nervous about their return to school and hope to allay some of these worries.

We look forward to talking with all the children via video call and, in the meantime, please do forward any questions or queries.

Kind regards

**Mrs Hogan-Fleming and Ms Chapman**
